

Singapore/Kuala Lumpur, September 05<sup>th</sup>, 2017

Dear Valued Customer,

As announced recently, Nexus Analytics Pte Ltd (Singapore) and Nexus Analytics Sdn Bhd (Malaysia) have become members of the Melchers Group. Melchers Group is the representative for the German manufacturers BRABENDER GmbH.

**With this letter we would like to inform you that with immediate effect Brabender will be represented by Nexus Analytics in both Singapore and Malaysia.**

Nexus Analytics is the leading provider of Value-Added Technology Services and Solutions in the area of instrumentation primarily in the Chemical analysis and Material properties fields. The addition of the Brabender product lines will complete our total solution offerings for material properties in the areas, of Food, Polymers and Chemicals. The Nexus teams in Singapore and Malaysia with a strong focus on application and after sales service are well positioned to serve your future requirements.

Brabender GmbH is a leading manufacturer of instrumentation for rheology, processing development, laboratory scale compounding, extrusion, mixing applications and moisture. Their extensive product line is utilized for sample preparation, R&D, evaluation, quality control, new product development and production environments. Their main areas of expertise are in the fields of Food, Polymers and Chemicals

Nexus Analytics and Melchers Group would like to reassure all existing Brabender customers that we will ensure continuity in supporting your instruments. In this regard, Nexus Analytics has already sent staff for factory training at Brabender, but will still have access to C. Melchers service staff for the foreseeable future.

We would also like to emphasize that Melchers Group will continue to represent engineering and machinery companies in Singapore and Malaysia, and that the transfer of the Brabender business from Melchers to Nexus was made to serve you better for the long term.

Please contact us the following personnel should you require assistance on the above.

Sincerely Yours,
